

Victoria Lozzi

PVE Mayor

City Council Member

I was elected City Treasurer in 2017 and then to City Council in 2019 largely to bring financial discipline to our City. I have worked hard for the residents to address our financial issues:

- Developed a Long-Range Financial Plan
- Adopted a Pension Funding Policy
- Initiated a 10-year Capital Improvement Plan

There is so much work done beyond financial management and that work must be balanced with maintaining the character of PVE:

- Supported our community-based PVE Police Department
- Protected and maintained our parklands and open space
- Maintained our infrastructure, streets and sewers
- Upheld the Neighborhood Compatibility Ordinance
- Protected our City from State housing legislation (ADUs, SB9, SB10)

We have made significant progress, but there is still a lot of work to be done. I believe the City is moving in the right direction and I would be honored to continue serving you.

“I am running for re-election because I strongly believe we need to keep experienced leadership and continuity on our City Council. Pointing out problems is easy, finding solutions requires candidates who can work together and collaborate for the betterment of the community as a whole.”
