

WHO'S **LURKING** IN THE **SHADOWS**

Palos Verdes Estates is under siege from people and groups that don't have the City's best interest at heart. They hide and conceal their identities - letting others do their bidding.

PROTECT PVE FROM SELF INTERESTS AND HIDDEN AGENDAS

SHINE THE LIGHT ON THOSE WHO TARGET OUR PVE PD!

The recent **CA Taxpayer Protection Committee** Slate Mailer was a late contribution/expenditure from Pivot Strategies - run by **Pete Constant** - Pete is not a resident of PVE - he is the consultant chosen by Michael Kemps and Victoria Lozzi for the **PVE Pension Ad Hoc Committee** on a recommendation from **Desiree Meyers**. This committee also includes **Dawn Murdock**.

Murdock will not state if she supported **Measure E**, and her campaign manager Dez Meyers has attacked the police for years.
