### BACKGROUND AND EXPERIENCE:

- **PreservePVE Founder:** Led passage of PVE Land Preservation Act into law
- **Resident Advocate:** of safety, fiscal responsibility, transparency/ethics, local land rights and open space in PVE
- **Public Service:** the PVE City Council's pension and technology committees, MCHA and Neighborhood Watch boards
- **Professional Background:** Program Management, 32-year IT career: consisted of writing and bidding service contracts, budgets, project timelines, risk management and stakeholder communications. My specialty was implementing financial systems. I was employed /consulted for Fortune 100 Companies: The Walt Disney Company, Northrop, Nissan and 15 years at Toyota

### PRIORITIES / APPROACH:

- **Land / Character Preservation:** continue leading preservation initiatives
- **Public Safety/Local Control:** Keep our Police
- **Balanced Budget Solutions:** accrual based budget, operational review, line-item budget review, pension paid, revitalize our plazas, fiscally stabilize
- **Real Transparency:** Fact-based decision making with **full** disclosure, candor with residents and effective community communications to serve the will of the Residents to build trust and bring our community together
- **Revitalize our plazas:** increase revenue and beautify.
